3. The Covered Footbridge as referred to in Special Condition No.(25) of the Land Grant

(I) Provisions of the Land Grant

Special Condition No.(25) stipulates that:-

- (a) The Grantee shall within 96 calendar months from the date of this Agreement or within such time limit as may be approved by the Director at the Grantee's own expense and in all respects to the satisfaction of the Director construct:
- (i) one single-storey covered footbridge (hereinafter referred to as “the Covered Footbridge”) together with all supports and connections (including any supports and connections which the Director in his absolute discretion considers necessary for any future extension to the Covered Footbridge) as shall be required or approved by the Director, in the approximate position shown and marked “COVERED FOOTBRIDGE” on Plan I annexed hereto. The Covered Footbridge shall be constructed with such materials and to such standards, levels, alignment, disposition and designs as shall be required and approved by the Director including but not limited to the provision and construction of such supports, ramps, associated staircases and landings, escalators, lifts and such internal and external fittings and fixtures and such light fittings as the Director in his sole discretion may require. The Covered Footbridge shall connect with the existing footbridge leading to Wu Kai Sha Station of Ma On Shan Rail as shown on Plan I annexed hereto at the level of 16.45 metres above Hong Kong Principal Datum or at such other level as may be approved by the Director subject to a clear internal width of 7.6 metres and a clear internal headroom of 3.8 metres or such other width or headroom as may be approved by the Director. The Grantee shall at its own costs and expenses carry out any necessary modification works to the said existing footbridge so that the Covered Footbridge can be connected to the said existing footbridge provided that the Grantee shall fully indemnify Government for any costs, claims, losses and damages which may arise out of such modification works;
- (ii) in the lot or the building or buildings to be erected upon the lot supports and connections (hereinafter referred to as “the Footbridge Supports and Connections”) with such materials, to such specifications and standards and at such points and levels as shall be required and approved by the Director for the proposed pedestrian footbridges which are to be located at the approximate positions indicated on Plan I annexed hereto and marked “COVERED FOOTBRIDGE” and “PROPOSED FUTURE FOOTBRIDGE” so that the said proposed pedestrian footbridges can be constructed and connected to the lot and that pedestrian access can be gained over the said proposed pedestrian footbridges to and from the Public Pedestrian Walkway.
- (b) In the event of the non-fulfillment of the Grantee's obligation under sub-clauses (a) and (c) of this Special Condition within the said time limit specified by the Director, the Government may carry out the necessary construction or maintenance works at the cost of the Grantee who shall pay to the Government on demand a sum equal to the cost thereof, such sum to be determined by the Director whose determination shall be final and binding upon the Grantee. For the purpose of carrying out the works aforesaid, the Government, its officers, agents, contractors, workmen or other duly authorized personnel shall have free and uninterrupted right at all reasonable times to enter into the lot or any part thereof and any building or buildings erected or to be erected thereon. The Government, its officers, agents, contractors, workmen or other duly authorized personnel shall have no liability in respect of any loss, damage, nuisance or disturbance whatsoever caused to or suffered by the Grantee arising out of or incidental to the

exercise by him or them of the right of entry conferred under this Sub-clause, and no claim shall be made against him or them by the Grantee in respect of any loss, damage, nuisance or disturbance.

- (c) (i) The Covered Footbridge and the Footbridge Supports and Connections shall not be used for any purpose other than for the passage of all members of the public on foot or by wheelchair.
- (ii) The Grantee shall not use or permit or suffer to be used any part of the Covered Footbridge and the Footbridge Supports and Connections either externally or internally for advertising or for the display of any signs, notices or posters whatsoever unless otherwise approved or required by the Director.
- (iii) The Grantee shall not do or permit or suffer to be done in the Covered Footbridge and the Footbridge Supports and Connections anything that may be or become a nuisance or annoyance or that may cause inconvenience or damage to any person or vehicle passing under the Covered Footbridge and the Footbridge Supports and Connections or to any owner or occupier of any adjacent or neighbouring lot or lots or premises.
- (iv) The Grantee shall at all times during the day or night throughout the period during which the Covered Footbridge and the Footbridge Supports and Connections are in existence permit all members of the public for all lawful purposes freely and without payment of any nature whatsoever to pass and repass on foot or by wheelchair along, to, from, through, over, up and down the Covered Footbridge and the Footbridge Supports and Connections.
- (v) The Grantee shall at his own expense keep the Covered Footbridge and the Footbridge Supports and Connections illuminated at all times during the day and night to the satisfaction of the Director so that pedestrian traffic may safely be carried thereon.
- (d) The Grantee shall indemnify and keep indemnified the Government, its officers, agents, contractors, workmen or other duly authorized personnel from and against all liabilities and all actions, proceedings, costs, claims, expenses, loss, damages, charges and demands of whatsoever nature arising out of or in connection with anything done or omitted to be done by the Grantee, his servants, workmen and contractors in connection with the construction, alteration, repair and maintenance of the Covered Footbridge and the Footbridge Supports and Connections.
- (e) Throughout the whole of the term hereby agreed to be granted the Grantee shall at his own expense upkeep, manage, maintain, repair and clean the Covered Footbridge and the Footbridge Supports and Connections or any part and parts thereof or any replacement thereof to be provided by the Grantee in accordance with sub-clause (f) of this Special Condition in good and substantial repair and condition and in all respects to the satisfaction of the Director.
- (f) In the event of any redevelopment of the lot or any part thereof whereby the Covered Footbridge and Footbridge Supports and Connections or any part or parts thereof are required to be demolished, the Grantee shall, within such time limit as shall be laid down by the Director, at his own expense and in all respects to the satisfaction of the Director, replace the same by the construction and completion of such new covered footbridge and footbridge supports and connections or a part or parts thereof to such standards and with such design, materials and at such width, levels and positions as the Director shall approve or require.

- (g) It is hereby expressly agreed, declared and provided that by imposing the obligation on the part of the Grantee contained in Special Condition Nos.(24)(d), (25)(c)(iv) and (25)(c)(v) hereof neither the Grantee intends to dedicate nor the Government consents to any dedication of the Public Pedestrian Walkway, the Covered Footbridge and the Footbridge Supports and Connections or any parts or parts thereof to the public for the right of passage.
- (h) It is expressly agreed and declared that the obligation on the part of the Grantee contained in Special Condition Nos.(24)(d), (25)(c)(iv) and (25)(c)(v) hereof will give rise to no expectation of, or claim for or in respect of, any concession or right in respect of additional site coverage or plot ratio whether under Regulation 22(1) of the Building (Planning) Regulations, any amendment thereto, substitution therefore, or otherwise and for the avoidance of doubt the Grantee expressly waives any and all claims in respect of or for any concession in respect of, or right to, additional site coverage or plot ratio under Regulation 22(1) of the Building (Planning) Regulations, any amendment thereto or substitution therefor.

(II) Provisions of the Deed of Mutual Covenant

Clause 39(e) in Section III of the Principal Deed of Mutual Covenant stipulates that the Manager shall have the power to upkeep, manage, maintain, repair and clean the Covered Footbridge and the Footbridge Supports and Connections or any part and parts thereof or any replacement thereof to be provided by the Grantee in accordance with Special Condition No.(25)(e) of the Government Grant in good and substantial repair and condition and in all respects to the satisfaction of the Director of Lands.

Clause 42 in the Third Schedule of the Principal Deed of Mutual Covenant stipulates that : –

- (a) The Covered Footbridge and the Footbridge Supports and Connections shall not be used for any purpose other than for the passage of all members of the public on foot or by wheelchair.
- (b) No Owner shall use or permit or suffer to be used any part of the Covered Footbridge and the Footbridge Supports and Connections either externally or internally for advertising or for the display of any signs, notices or posters whatsoever unless otherwise approved or required by the Director of Lands.
- (c) No Owner shall do or permit or suffer to be done in the Covered Footbridge and the Footbridge Supports and Connections anything that may be or become a nuisance or annoyance or that may cause inconvenience or damage to any person or vehicle passing under the Covered Footbridge and the Footbridge Supports and Connections or to any owner or occupier of any adjacent or neighbouring lot or lots or premises.
- (d) Every Owner shall at all times during the day or night throughout the period during which the Covered Footbridge and the Footbridge Supports and Connections are in existence permit all members of the public for all lawful purposes freely and without payment of any nature whatsoever to pass and repass on foot or by wheelchair along, to, from, through, over, up and down the Covered Footbridge and the Footbridge Supports and Connections.

Plan showing the location of the Covered Footbridge as far as it is practicable to do so is appended hereto at the end of this section.

C. Information on any part of the land (on which the development is situated) that is dedicated to the public for the purposes of regulation 22(1) of the Building (Planning) Regulations (Cap. 123 sub. leg. F)

Not applicable.

17. 對買方的警告

WARNING TO PURCHASERS

1.

此提示建議你聘用一間獨立的律師事務所 (代表擁有人行事者除外)，以在交易中代表你行事。

2.

如你聘用上述的獨立的律師事務所，以在交易中代表你行事，該律師事務所將會能夠向你提供獨立意見。

3.

如你聘用代表擁有人行事的律師事務所同時代表你行事，而擁有人與你之間出現利益衝突：-
(i) 該律師事務所可能不能夠保障你的利益；及
(ii) 你可能要聘用一間獨立的律師事務所。

4.

如屬3.(ii)段的情況，你須支付的律師費用總數，可能高於如你自一開始即聘用一間獨立的律師事務所須支付的費用。
1.

You are recommended to instruct a separate firm of solicitors (other than that acting for the owner) to act for you in relation to the transaction.

2.

If you instruct such separate firm of solicitors to act for you in relation to the transaction, that firm will be able to give independent advice to you.

3.

If you instruct the firm of solicitors acting for the owner to act for you as well, and a conflict of interest arises between the owner and you: -
(i) that firm may not be able to protect your interests; and
(ii) you may have to instruct a separate firm of solicitors.

4.

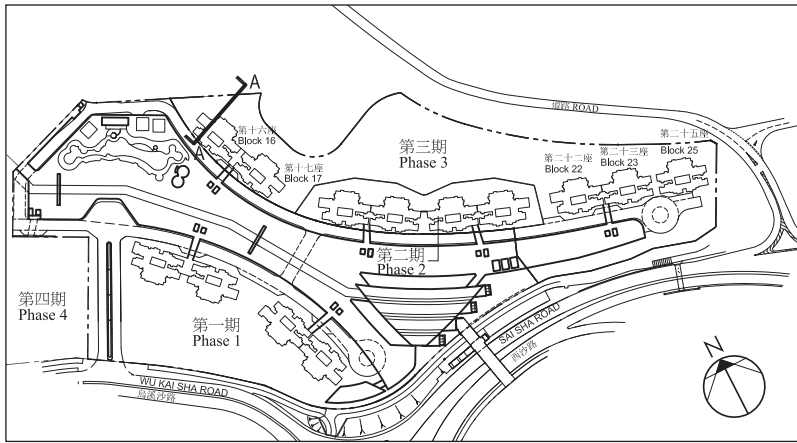

In the case of paragraph 3.(ii), the total solicitors' fees payable by you may be higher than the fees that would have been payable if you had instructed a separate firm of solicitors in the first place.
