- 於買賣合約所列出的裝置、裝修物料或設備有欠妥之處，而該欠妥之處並非由買方行為或疏忽造成，則賣方在接獲買方在買賣成交日期後的6個月內送達的書面通知後，須於合理地設實可行的範圍內，盡快自費作出補救。

MAINTENANCE OF SLOPES

斜坡維修

Slope plan

1. The land grant requires the owners of the residential properties in the development to maintain slopes at their own costs.
2. The land grant provides that :-
 - (a) Where there is or has been any cutting away, removal or setting back of any land, or any building up or filling in or any slope treatment works of any kind whatsoever, whether with or without the prior written consent of the Director of Lands, either within the Land or on any Government land, which is or was done for the purpose of or in connection with the formation, levelling or development of the Land or any part thereof or any other works required to be done by the lessee or its assignees under the terms and covenants contained in the land grant, or for any other purpose, the lessee and its assignees shall at his own expense carry out and construct such slope treatment works, retaining walls or other support, protection, drainage or ancillary or other works as shall or may then or at any time thereafter be necessary to protect and support such land within the Land and also any adjacent or adjoining Government or leased land and to obviate and prevent any falling away, landslip or subsidence occurring thereafter. The lessee and its assignees shall at all times during the term maintain at his own expenses the said land, slope treatment works, retaining walls or other support, protection, drainage or ancillary or other works in good and substantial repair and condition to the satisfaction of the Director of Lands.
 - (b) In the event that as a result of or arising out of any formation, levelling, development or other works done by the lessee and its assignees or owing to any other reason, any falling away, landslip or subsidence occurs at any time, whether in or from any land, within the Land or from any adjacent or adjoining Government or leased land, the lessee and its assignees shall at his own expense reinstate and make good the same to the satisfaction of the Director of Lands and shall indemnify the Government its agents and contractors from and against all costs, charges, damages, demands and claims whatsoever which shall or may be made, suffered or incurred through or by reason of such falling away, landslip or subsidence.
 - (c) In addition to any other rights or remedies provided in the land grant for breach of any of the terms and covenants, the Director of Lands shall be entitled by notice in writing to call upon the lessee and its assignees to carry out, construct and maintain the said land, slope treatment works, retaining walls, or other support, protection, and drainage or ancillary or other works or to reinstate and make good any falling away, landslip or subsidence, and if the lessee and its assignees shall neglect or fail to comply with the notice to the satisfaction of the Director of Lands within the period specified therein, the Director of Lands may forthwith execute and carry out any necessary works and the lessee and its assignees shall on demand repay to the Government the cost thereof, together with any administrative or professional fees and charges.

MAINTENANCE OF SLOPES

斜坡維修

- (d) The lessee and its assignees shall at his own expense carry out and complete to the satisfaction of the Director of Lands such geotechnical investigations and such slope treatment, landslide preventive, mitigation and remedial works on the area shown coloured green hatched black on the plan marked “PLAN B” annexed to the land grant (hereinafter referred to as “the Green Hatched Black Area”) as the Director of Lands in his absolute discretion may require and shall, at all times during the term, at his own expense, maintain in good and substantial repair and condition to the satisfaction of the Director of Lands the Green Hatched Black Area including all land, slope treatment works, earth-retaining structures, drainage and any other works therein and thereon. In the event that any landslip, subsidence or falling away occurs within the Green Hatched Black Area at any time during the term, the lessee and its assignees shall at his own expense reinstate and make good the same to the satisfaction of the Director of Lands together with any adjacent or adjoining areas which, in the opinion of the Director of Lands (whose decision shall be final and binding on the lessee and its assignees), have also been affected. The lessee and its assignees shall indemnify the Government, its agents and contractors against all claims, proceedings, costs, damages and expenses whatsoever incurred by reason of such landslip, subsidence or falling away. The lessee and its assignees shall ensure at all times that there shall be no illegal excavation or dumping on the Green Hatched Black Area and, subject to the prior written approval of the Director of Lands, the lessee and its assignees may erect fences or other barriers for the prevention of such illegal excavation or dumping. In addition to any other rights or remedies the Director of Lands may have in respect of any breach of the terms and covenants herein contained, the Director of Lands may at any time by notice in writing call upon the lessee and its assignees to carry out such geotechnical investigations, slope treatment, landslip preventive, mitigation and remedial works and to maintain, reinstate and make good any land, structure or works affected by such landslip, subsidence or falling away, and if the lessee and its assignees shall neglect or fail to comply with such notice to the satisfaction of the Director of Lands within the period specified therein, the Director of Lands may, after the expiry of such period, execute and carry out the required works and the said lessee and its assignees shall on demand repay to the Government the cost thereof.
- (e) The obligations and rights of the lessee and its assignees in respect of the Green Hatched Black Area or any part thereof as mentioned in subparagraph 2(d) above shall absolutely determine upon the Government giving to the lessee and its assignees notice to that effect.
3. Each of the residential owners is obliged to contribute towards the costs of the maintenance work.
4. The plan for the slopes, retaining walls and related structures constructed or to be constructed, within or outside the land on which the development is situated is set out on page BC1.
5. Under Sub-clause (B)(1)(o) of Section V of the Deed of Mutual Covenant incorporating Management Agreement, the Manager shall have the owners’ authority to engage suitable qualified personnel to inspect keep and maintain in good substantial repair and condition and carry out any necessary works in respect of any of the Slopes and Retaining Walls in compliance with the land grant and in particular in accordance with the Slopes Maintenance Manual and all guidelines issued from time to time by the appropriate Government departments regarding the maintenance of Slopes and Retaining Walls (for the purpose of the said Sub-clause (B)(1)(o), the reference to “the Manager” shall include the Owners’ Incorporation, if formed).
