Notes to purchasers of first-hand residential properties

一手住宅物業買家須知

You are advised to take the following steps before purchasing first-hand residential properties.

For all first-hand residential properties

1. Important information

- Make reference to the materials available on the Sales of First-hand Residential Properties Electronic Platform (SRPE) (www.srpe.gov.hk) on the first-hand residential property market.
- Study the information on the website designated by the vendor for the development, including the sales brochure, price lists, documents containing the sales arrangements, and the register of transactions of a development.
- Sales brochure for a development will be made available to the general public at least 7 days immediately before a date of sale while price list and sales arrangements will be made available at least 3 days immediately before the date of sale.
- Information on transactions can be found on the register of transactions on the website designated by the vendor for the development and the SRPE.

2. Fees, mortgage loan and property price

- Calculate the total expenses of the purchase, such as solicitors' fees, mortgage charges, insurance fees and stamp duties.
- Check with banks to find out if you will be able to obtain the needed mortgage loan, select the appropriate payment method and calculate the amount of the mortgage loan to ensure it is within your repayment ability.
- Check recent transaction prices of comparable properties for comparison.
- Check with the vendor or the estate agent the estimated management fee, the amount of management fee payable in advance (if any), special fund payable (if any), the amount of reimbursement of the deposits for water, electricity and gas (if any), and/or the amount of debris removal fee (if any) you have to pay to the vendor or the manager of the development.

3. Price list, payment terms and other financial incentives

- Vendors may not offer to sell all the residential properties that are covered in a price list. To know which residential properties the vendors may offer to sell, pay attention to the sales arrangements which will be announced by the vendors at least 3 days before the relevant residential properties are offered to be sold.
- Pay attention to the terms of payment as set out in a price list. If there are discounts on the price, gift, or any financial advantage or benefit to be made available in connection with the purchase of the residential properties, such information will also be set out in the price list.
- If you intend to opt for any mortgage loan plans offered by financial institutions specified by the vendor, before entering into a preliminary agreement for sale and purchase (PASP), you must study the details of various mortgage loan plans[1] as set out in the price list concerned. If you have any questions about these mortgage loan plans, you should check with the financial institutions concerned direct before entering into a PASP.

4. Property area and its surroundings

- Pay attention to the area information in the sales brochure and price list, and price per square foot/metre in the price list. According to the Residential Properties (First-hand Sales) Ordinance (Cap. 621) (the Ordinance), vendors can only present the area and price per square foot and per square metre of a residential property using saleable area. Saleable area, in relation to a residential property, means the floor area of the residential property, and includes the floor area of every one of the following to the extent that it forms part of the residential property - (i) a balcony; (ii) a utility platform; and (iii) a verandah. The saleable area excludes the area of the following which forms part of the residential property - air-conditioning plant room; bay window; cockloft; flat roof; garden; parking space; roof; stairhood; terrace and yard.
- Floor plans of all residential properties in the development have to be shown in the sales brochure. In a sales brochure, floor plans of residential properties in the development must state the external and internal dimensions of each residential property[2]. The external and internal dimensions of residential properties as provided in the sales brochure exclude plaster and finishes. You are advised to note this if you want to buy furniture before handing over of the residential property.
- Visit the development site and get to know the surroundings of the property (including transportation and community facilities). Check town planning proposals and decisions which may affect the property. Take a look at the location plan, aerial photograph, outline zoning plan and cross-section plan that are provided in the sales brochure.

5. Sales brochure

- Ensure that the sales brochure you have obtained is the latest version. According to the Ordinance, the sales brochure made available to the public should be printed or examined, or examined and revised within the previous 3 months.
- Read through the sales brochure and in particular, check the following information in the sales brochure -
  - whether there is a section on "relevant information" in the sales brochure, under which information on any matter that is known to the vendor but is not known to the general public, and is likely to materially affect the enjoyment of a residential property will be set out. Please note that information contained in a document that has been registered with the Land Registry will not be regarded as "relevant information";
  - the cross-section plan showing a cross-section of the building in relation to every street adjacent to the building, and the level of every such street in relation to a known datum and to the level of the lowest residential floor of the building. This will help you visualize the difference in height between the lowest residential floor of a building and the street level, regardless of how that lowest residential floor is named;
  - interior and exterior fittings and finishes and appliances;
  - the basis on which management fees are shared;
  - whether individual owners have obligations or need to share the expenses for managing, operating and maintaining the public open space or public facilities inside or outside the development, and the location of the public open space or public facilities; and
  - whether individual owners have responsibility to maintain slopes.

6. Government land grant and deed of mutual covenant (DMC)

- Read the Government land grant and the DMC (or the draft DMC). Information such as ownership of the rooftop and external walls can be found in the DMC. The vendor will provide copies of the Government land grant and the DMC (or the draft DMC) at the place where the sale is to take place for free inspection by prospective purchasers.
- Check the Government land grant on whether individual owners are liable to pay Government rent.
- Check the DMC on whether animals can be kept in the residential property.

---

[1] The details of various mortgage loan plans include the requirements for mortgagors on minimum income level, the loan limit under the first mortgage and second mortgage, the maximum loan repayment period, the change of mortgage interest rate throughout the entire repayment period, and the payment of administrative fees.

[2] According to section 10(2)(d) in Part 1 of Schedule 1 to the Ordinance, each of the floor plans of the residential properties in the development in the sales brochure must state the following—
(i) the external dimensions of each residential property;
(ii) the internal dimensions of each residential property;
(iii) the thickness of the internal partitions of each residential property;
(iv) the external dimensions of individual compartments in each residential property.
According to section 10(3) in Part 1 of Schedule 1 to the Ordinance, if any information required by section 10(2)(d) in Part 1 of Schedule 1 to the Ordinance is provided in the approved building plans for the development, a floor plan must state the information as so provided.

7. Information on Availability of Residential Properties for Selection at Sales Office

- Check with the vendor which residential properties are available for selection. If a "consumption table" is displayed by the vendor at the sales office, you may check from the table information on the progress of sale on a date of sale, including which residential properties are offered for sale at the beginning of that date of sale and which of them have been selected and sold during that date of sale.
- Do not believe in rumours about the sales condition of the development and enter into a PASP rashly.

8. Register of Transactions

- Pay attention to the register of transactions for a development. A vendor must, within 24 hours after entering into a PASP with a purchaser, enter transaction information of the PASP in the register of transactions. The vendor must, within 1 working day after entering into an agreement for sale and purchase (ASP), enter transaction information of the ASP in the register of transactions. Check the register of transactions for the concerned development to learn more about the sales condition of the development.
- Never take the number of registrations of intent or cashier orders a vendor has received for the purpose of registration as an indicator of the sales volume of a development. The register of transactions for a development is the most reliable source of information from which members of the public can grasp the daily sales condition of the development.

9. Agreement for sale and purchase

- Ensure that the PASP and ASP include the mandatory provisions as required by the Ordinance.
- Pay attention that fittings, finishes and appliances to be included in the sale and purchase of the property are inserted in the PASP and ASP.
- Pay attention to the area plan annexed to the ASP which shows the total area which the vendor is selling to you. The total area which the vendor is selling to you is normally greater than the saleable area of the property.
- A preliminary deposit of **5%** of the purchase price is payable by you to the owner (i.e. the seller) on entering into a PASP.
- If you do not execute the ASP within **5 working days** (working day means a day that is not a general holiday or a Saturday or a black rainstorm warning day or gale warning day) after entering into the PASP, the PASP is terminated, the preliminary deposit (i.e. 5% of the purchase price) is forfeited, and the owner (i.e. the seller) does not have any further claim against you for not executing the ASP.
- If you execute the ASP within 5 working days after the signing of the PASP, the owner (i.e. the seller) must execute the ASP within 8 working days after entering into the PASP.
- The deposit should be made payable to the solicitors' firm responsible for stakeholding purchasers' payments for the property.

10. Expression of intent of purchasing a residential property

- Note that vendors (including their authorized representative(s)) should not seek or accept any specific or general expression of intent of purchasing any residential property before the relevant price lists for such properties are made available to the public. You therefore should not make such an offer to the vendors or their authorized representative(s).
- Note that vendors (including their authorized representative(s)) should not seek or accept any specific expression of intent of purchasing a particular residential property before the sale of the property has commenced. You therefore should not make such an offer to the vendors or their authorized representative(s).

11. Appointment of estate agent

- Note that if the vendor has appointed one or more than one estate agents to act in the sale of any specified residential property in the development, the price list for the development must set out the name of all the estate agents so appointed as at the date of printing of the price list.
- You may appoint any estate agent (not necessarily from those estate agency companies appointed by the vendor) to act in the purchase of any specified residential property in the development, and may also not appoint any estate agent to act on your behalf.
- Before you appoint an estate agent to look for a property, you should -
  - find out whether the agent will act on your behalf only. If the agent also acts for the vendor, he/she may not be able to protect your best interests in the event of a conflict of interest;
  - find out whether any commission is payable by you to the estate agent and, if so, its amount and the time of payment; and
  - note that only licensed estate agents or salespersons may accept your appointment. If in doubt, you should request the estate agent or salesperson to produce his/her Estate Agent Card, or check the Licence List on the Estate Agents Authority website: www.eaa.org.hk.

12. Appointment of solicitor

- Consider appointing your own solicitor to protect your interests. If the solicitor also acts for the vendor, he/she may not be able to protect your best interests in the event of a conflict of interest.
- Compare the charges of different solicitors.

For first-hand uncompleted residential properties

13. Pre-sale Consent

- For uncompleted residential property under the Lands Department Consent Scheme, seek confirmation from the vendor whether the "Pre-sale Consent" has been issued by the Lands Department for the development.

14. Show flats

- While the vendor is not required to make any show flat available for viewing by prospective purchasers or the general public, if the vendor wishes to make available show flats of a specified residential property, the vendor must first of all make available an unmodified show flat of that residential property and that, having made available such unmodified show flat, the vendor may then make available a modified show flat of that residential property. In this connection, the vendor is allowed to make available more than one modified show flat of that residential property.
- If you visit the show flats, you should always look at the unmodified show flats for comparison with the modified show flats. That said, the Ordinance does not restrict the discretion of the vendor in arranging the sequence of the viewing of unmodified and modified show flats.
- Sales brochure of the development should have been made available to the public when the show flat is made available for viewing. You are advised to get a copy of the sales brochure and make reference to it when viewing the show flats.
- You may take measurements in modified and unmodified show flats, and take photographs or make video recordings of unmodified show flats, subject to reasonable restriction(s) which may be set by the vendor for ensuring safety of the persons viewing the show flat.

15. Estimated material date and handing over date

- Check the estimated material date[3] for the development in the sales brochure.
  - The estimated material date for a development in the sales brochure is not the same as the date on which a residential property is handed over to purchaser. The latter is inevitably later than the former.
- Handing over date
  - The mandatory provisions to be incorporated in an ASP as required by the Ordinance include a provision requiring the vendor to apply in writing for an Occupation Document/a Certificate of Compliance or the Director of Lands' Consent to Assign (as the case may be) in respect of the development within 14 days after the estimated material date as stipulated in the ASP.
    - ➢ For development subject to the Lands Department Consent Scheme, the vendor is required to notify the purchaser in writing that the vendor is in a position validly to assign the property within one month after the issue of the Certificate of Compliance or the Consent to Assign, whichever first happens; or
    - ➢ For development not subject to the Lands Department Consent Scheme, the vendor is required to notify the purchaser in writing that the vendor is in a position validly to assign the property within 6 months after the issue of the Occupation Document including Occupation Permit.
  - The mandatory provisions to be incorporated in an ASP as required by the Ordinance include a provision requiring completion of the sale and purchase within 14 days after the date of the notification aforesaid. Upon completion, the vendor shall arrange handover of the property to the purchaser.
- Authorized Person (AP) may grant extension(s) of time for completion of the development beyond the estimated material date.
  - The mandatory provisions to be incorporated in an ASP as required by the Ordinance include a provision that the AP of a development may grant an extension of time for completion of the development beyond the estimated material date having regard to delays caused exclusively by any one or more of the following reasons:
    - ➢ strike or lock-out of workmen;
    - ➢ riots or civil commotion;
    - ➢ force majeure or Act of God;
    - ➢ fire or other accident beyond the vendor's control;
    - ➢ war; or
    - ➢ inclement weather.
  - The AP may grant more than once such an extension of time depending on the circumstances. That means handover of the property may be delayed.
  - The mandatory provisions to be incorporated in an ASP as required by the Ordinance also include a provision requiring the vendor to, within 14 days after the issue of an extension of time granted by the AP, furnish the purchaser with a copy of the relevant certificate of extension.
- Ask the vendor if there are any questions on handing over date.

For first-hand completed residential properties

16. Vendor's information form

- Ensure that you obtain the "vendor's information form(s)" printed within the previous 3 months in relation to the residential property/properties you intend to purchase.

17. Viewing of property

- Ensure that, before you purchase a residential property, you are arranged to view the residential property that you would like to purchase or, if it is not reasonably practicable to view the property in question, a comparable property in the development, unless you agree in writing that the vendor is not required to arrange such a comparable property for viewing for you. You are advised to think carefully before signing any waiver.
- You may take measurements, take photographs or make video recordings of the property, unless the property is held under a tenancy or reasonable restriction(s) is/are needed to ensure safety of the persons viewing the property.

Notes to purchasers of first-hand residential properties

一手住宅物業買家須知

您在購置一手住宅物業之前，應留意下列事項：

適用於所有一手住宅物業

1. 重要資訊

- 瀏覽一手住宅物業銷售資訊網(下稱「銷售資訊網」)(網址：www.srpe.gov.hk)，參考「銷售資訊網」內有關一手住宅物業的市場資料 。
- 閱覽賣方就該發展項目所指定的互聯網網站內的有關資訊，包括售樓說明書、價單、載有銷售安排的文件，及成交紀錄冊。
- 發展項目的售樓說明書，會在該項目的出售日期前最少七日向公眾發布，而有關價單和銷售安排，亦會在該項目的出售日期前最少三日公布。
- 在賣方就有關發展項目所指定的互聯網網站，以及「銷售資訊網」內，均載有有關物業成交資料的成交紀錄冊，以供查閱。

2. 費用、按揭貸款和樓價

- 計算置業總開支，包括律師費、按揭費用、保險費，以及印花稅。
- 向銀行查詢可否取得所需的按揭貸款，然後選擇合適的還款方式，並小心計算按揭貸款金額，以確保貸款額沒有超出本身的負擔能力。
- 查閱同類物業最近的成交價格，以作比較。
- 向賣方或地產代理瞭解，您須付予賣方或該發展項目的管理人的預計的管理費、管理費上期金額(如有)、特別基金金額(如有)、補還的水、電力及氣體按金(如有)、以及/或清理廢料的費用(如有)。

3. 價單、支付條款，以及其他財務優惠

- 賣方未必會把價單所涵蓋的住宅物業悉數推售，因此應留意有關的銷售安排，以了解賣方會推售的住宅物業為何。賣方會在有關住宅物業推售日期前最少三日公布銷售安排。
- 留意價單所載列的支付條款。倘買家可就購置有關住宅物業而連帶獲得價格折扣、贈品，或任何財務優惠或利益，上述資訊亦會在價單內列明。
- 如您擬選用由賣方指定的財務機構提供的各類按揭貸款計劃，在簽訂臨時買賣合約前，應先細閱有關價單內列出的按揭貸款計劃資料[1]。如就該些按揭貸款計劃的詳情有任何疑問，應在簽訂臨時買賣合約前，直接向有關財務機構查詢。

4. 物業的面積及四周環境

- 留意載於售樓說明書和價單內的物業面積資料，以及載於價單內的每平方呎/每平方米售價。根據《一手住宅物業銷售條例》(第621章)(下稱「條例」)，賣方只可以實用面積表達住宅物業的面積和每平方呎及平方米的售價。就住宅物業而言，實用面積指該住宅物業的樓面面積，包括在構成該物業的一部分的範圍內的以下每一項目的樓面面積：(i)露台；(ii)工作平台；以及(iii)陽台。實用面積並不包括空調機房、窗台、閣樓、平台、花園、停車位、天台、梯屋、前庭或庭院的每一項目的面積，即使該些項目構成該物業的一部分的範圍。
- 售樓說明書必須顯示發展項目中所有住宅物業的樓面平面圖。在售樓說明書所載有關發展項目中住宅物業的每一份樓面平面圖，均須述明每個住宅物業的外部和內部尺寸[2]。售樓說明書所提供有關住宅物業外部和內部的尺寸，不會把批盪和裝飾物料包括在內。買家收樓前如欲購置家具，應留意這點。
- 親臨發展項目的所在地實地視察，以了解有關物業的四周環境(包括交通和社區設施)；亦應查詢有否任何城市規劃方案和議決，會對有關的物業造成影響；參閱載於售樓說明書內的位置圖、鳥瞰照片、分區計劃大綱圖，以及橫截面圖。

5. 售樓說明書

- 確保所取得的售樓說明書屬最新版本。根據條例，提供予公眾的售樓說明書必須是在之前的三個月之內印製或檢視、或檢視及修改。
- 閱覽售樓說明書，並須特別留意以下資訊：
  - 售樓說明書內有否關於「有關資料」的部分，列出賣方知悉但並非為一般公眾人士所知悉，關於相當可能對享用有關住宅物業造成重大影響的事宜的資料。請注意，已在土地註冊處註冊的文件，其內容不會被視為「有關資料」；
  - 橫截面圖會顯示有關建築物相對毗連該建築物的每條街道的橫截面，以及每條上述街道與已知基準面和該建築物最低的一層住宅樓層的水平相對的水平。橫截面圖能以圖解形式，顯示出建築物最低一層住宅樓層和街道水平的高低差距，不論該最低住宅樓層以何種方式命名；
  - 室內和外部的裝置、裝修物料和設備；
  - 管理費按甚麼基準分擔；
  - 小業主有否責任或需要分擔管理、營運或維持有關發展項目以內或以外的公眾休憩用地或公共設施的開支，以及有關公眾休憩用地或公共設施的位置；以及
  - 小業主是否須要負責維修斜坡。

6. 政府批地文件和公契

- 閱覽政府批地文件和公契(或公契擬稿)。公契內載有天台和外牆業權等相關資料。賣方會在售樓處提供政府批地文件和公契(或公契擬稿)的複本，供準買家免費閱覽。
- 留意政府批地文件內所訂明小業主是否須要負責支付地稅。
- 留意公契內訂明有關物業內可否飼養動物。

7. 售樓處內有關可供揀選住宅物業的資料

- 向賣方查詢清楚有哪些一手住宅物業可供揀選。若賣方在售樓處內展示「消耗表」，您可從該「消耗表」得悉在每個銷售日的銷售進度資料，包括在該個銷售日開始時有哪些住宅物業可供出售，以及在該個銷售日內有哪些住宅物業已獲揀選及售出。
- 切勿隨便相信有關發展項目銷情的傳言，倉卒簽立臨時買賣合約。

---

[1] 按揭貸款計劃的資料包括有關按揭貸款計劃對借款人的最低收入的要求、就第一按揭連同第二按揭可獲得的按揭貸款金額上限、最長還款年期、整個還款期內的按揭利率變化，以及申請人須繳付的手續費。

[2] 根據條例附表1第1部第10(2)(d)條述明，售樓說明書內顯示的發展項目中的住宅物業的每一份樓面平面圖須述明以下各項—
(i) 每個住宅物業的外部尺寸；
(ii) 每個住宅物業的內部尺寸；
(iii) 每個住宅物業的內部間隔的厚度；
(iv) 每個住宅物業內個別分隔室的外部尺寸。
根據條例附表1第1部第10(3)條，如有關發展項目的經批准的建築圖則，提供條例附表1第1部第10(2)(d)條所規定的資料，樓面平面圖須述明如此規定的該資料。

8. 成交紀錄冊

- 留意發展項目的成交紀錄冊。賣方須於臨時買賣合約訂立後的24小時內，於紀錄冊披露該臨時買賣合約的資料，以及於買賣合約訂立後一個工作天內，披露該買賣合約的資料。您可透過成交紀錄冊得悉發展項目的銷售情況。

- 切勿將賣方接獲用作登記的購樓意向書或本票的數目視為銷情指標。發展項目的成交紀錄冊才是讓公眾掌握發展項目每日銷售情況的最可靠資料來源。

9. 買賣合約

- 確保臨時買賣合約和買賣合約包含條例所規定的強制性條文。

- 留意有關物業買賣交易所包括的裝置、裝修物料和設備，須在臨時買賣合約和買賣合約上列明。

- 留意夾附於買賣合約的圖則。該圖則會顯示所有賣方售予您的物業面積，而該面積通常較該物業的實用面積為大。

- 訂立臨時買賣合約時，您須向擁有人(即賣方)支付樓價**5%**的臨時訂金。

- 如您在訂立臨時買賣合約後**五個工作日**(工作日指並非公眾假日、星期六、黑色暴雨警告日或烈風警告日的日子)之內，沒有簽立買賣合約，該臨時買賣合約即告終止，有關臨時訂金(即樓價的5%)會被沒收，而擁有人(即賣方)不得因您沒有簽立買賣合約而對您提出進一步申索。

- 在訂立臨時買賣合約後的五個工作日之內，倘您簽立買賣合約，則擁有人(即賣方)必須在訂立該臨時買賣合約後的八個工作日之內簽立買賣合約。

- 有關的訂金，應付予負責為所涉物業擔任保證金保存人的律師事務所。

10. 表達購樓意向

- 留意在賣方(包括其獲授權代表)就有關住宅物業向公眾提供價單前，賣方不得尋求或接納任何對有關住宅物業的購樓意向(不論是否屬明確選擇購樓意向)。因此您不應向賣方或其授權代表提出有關意向。

- 留意在有關住宅物業的銷售開始前，賣方(包括其獲授權代表)不得尋求或接納任何對該物業的有明確選擇購樓意向。因此您不應向賣方或其授權代表提出有關意向。

11. 委託地產代理

- 留意倘賣方委任一個或多於一個地產代理，以協助銷售其發展項目內任何指明住宅物業，該發展項目的價單必須列明在價單印刷日期當日所有獲委任為地產代理的姓名/名稱 。

- 您可委託任何地產代理(不一定是賣方所指定的地產代理)，以協助您購置發展項目內任何指明住宅物業；您亦可不委託任何地產代理。

- 委託地產代理以物色物業前，您應該 —

  - 了解該地產代理是否只代表您行事。該地產代理若同時代表賣方行事，倘發生利益衝突，未必能夠保障您的最大利益；

  - 了解您須否支付佣金予該地產代理。若須支付，有關的佣金金額和支付日期為何；以及

  - 留意只有持牌地產代理或營業員才可以接受您的委託。如有疑問，應要求該地產代理或營業員出示其「地產代理證」， 或瀏覽地產代理監管局的網頁(網址：www.eaa.org.hk)，查閱牌照目錄。

12. 委聘律師

- 考慮自行委聘律師，以保障您的利益。該律師若同時代表賣方行事，倘發生利益衝突，未必能夠保障您的最大利益。

- 比較不同律師的收費。

適用於一手未落成住宅物業

13. 預售樓花同意書

- 洽購地政總署「預售樓花同意方案」下的未落成住宅物業時，應向賣方確認地政總署是否已就該發展項目批出「預售樓花同意書」。

14. 示範單位

- 賣方不一定須設置示範單位供準買家或公眾參觀，但賣方如為某指明住宅物業設置示範單位，必須首先設置該住宅物業的無改動示範單位，才可設置該住宅物業的經改動示範單位，並可以就該住宅物業設置多於一個經改動示範單位。

- 參觀示範單位時，務必視察無改動示範單位，以便與經改動示範單位作出比較。然而，條例並沒有限制賣方安排參觀無改動示範單位及經改動示範單位的先後次序。

- 賣方設置示範單位供公眾參觀時，應已提供有關發展項目的售樓說明書。因此，緊記先行索取售樓說明書，以便在參觀示範單位時參閱相關資料。

- 您可以在無改動示範單位及經改動示範單位中進行量度，並在無改動示範單位內拍照或拍攝影片，惟在確保示範單位參觀者人身安全的前提下，賣方可能會設定合理的限制。

適用於一手未落成住宅物業及尚待符合條件的已落成住宅物業

15. 預計關鍵日期及收樓日期

- 查閱售樓說明書中有關發展項目的預計關鍵日期[3]。

  - 售樓說明書中有關發展項目的預計關鍵日期並不等同買家的「收樓日期」。買家的「收樓日期」必定較發展項目的預計關鍵日期遲。

- 收樓日期

  - 條例規定買賣合約須載有強制性條文，列明賣方須於買賣合約內列出的預計關鍵日期後的14日內，以書面為發展項目申請佔用文件、合格證明書，或地政總署署長的轉讓同意(視屬何種情況而定)。

    ➢ 如發展項目屬地政總署預售樓花同意方案所規管，賣方須在合格證明書或地政總署署長的轉讓同意發出後的一個月內(以較早者為準)，就賣方有能力有效地轉讓有關物業一事，以書面通知買家；或

    ➢ 如發展項目並非屬地政總署預售樓花同意方案所規管，賣方須在佔用文件(包括佔用許可證)發出後的六個月內，就賣方有能力有效地轉讓有關物業一事，以書面通知買家。

  - 條例規定買賣合約須載有強制性條文，列明有關物業的買賣須於賣方發出上述通知的日期的14日內完成。有關物業的買賣完成後，賣方將安排買家收樓事宜。

[3] 一般而言，「關鍵日期」指該項目符合批地文件的條件的日期，或該項目在遵照經批准的建築圖則的情況下或按照豁免證明書的發出的條件在各方面均屬完成的日期。有關詳情請參閱條例第2條。

- 認可人士可批予在預計關鍵日期之後完成發展項目

  - 條例規定買賣合約須載有強制性條文，列明發展項目的認可人士可以在顧及純粹由以下一個或多於一個原因所導致的延遲後，批予在預計關鍵日期之後，完成發展項目：

    - ➢ 工人罷工或封閉工地；
    - ➢ 暴動或內亂；
    - ➢ 不可抗力或天災；
    - ➢ 火警或其他賣方所不能控制的意外；

在最新經批准的建築圖則所顯示的工程完成後，按建築物條例(第123章)，於A單位作為小型工程及/或豁免工程進行的工程如下：
(a) 修改室外樓梯的扶手欄杆
(b) 修改室外樓梯的梯級

1. The internal areas of the residential properties on the upper floors will generally be slightly larger than those on the lower floors because of the reducing thickness of the structural walls on the upper floors.
2. The dimensions in the floor plans are all structural dimensions in millimetre.

備註：
1. 因住宅物業的較高樓層的結構牆的厚度遞減，較高樓層的內部面積，一般比較低樓層的內部面積稍大。
2. 樓面平面圖之尺規所列數字為以毫米標示之建築結構尺寸。

    (i) The Lessee acknowledges that there is now constructed partly within the Sections within the area shown coloured pink hatched black on the plan marked "Plan A" annexed to the Modification letter ("the Pink Hatched Black Area") and partly outside the Sections within the area shown hatched black on the plan marked "Plan A" annexed to the Modification Letter an existing footpath ("the Footpath").
    (ii) Except with the prior written consent of the Director, no building or structure or support for any building or structure may be erected or constructed within the Pink Hatched Black Area and no alteration to the Pink Hatched Black Area or to the Footpath or any part thereof may be permitted.

24. (i) uphold, repair, maintain, manage and clean the existing lane over and along the area shown coloured pink stippled black on the plan marked "Plan A" annexed to the Modification Letter and the Pink Cross Hatched Black Stippled Black Area ("the Existing Lane"); and

(ii) continue to permit the owners, occupiers and visitors of the Adjoining Lots, at all times and for all lawful purposes free of charge and without any interruption to pass and repass the Existing Lane.

In the event that any landslip, subsidence or falling away occurs within the Green Hatched Black Area at any time during the term granted under the Lease, the Lessee shall at his own expense reinstate and make good the same to the satisfaction of the Director together with any adjacent or adjoining areas which, in the opinion of the Director (whose decision shall be final and binding on the Lessee), have also been affected. The Lessee indemnifies and shall keep indemnified the Government, its agents and contractors against all claims, proceedings, costs, damages and expenses whatsoever incurred by reason of such landslip, subsidence or falling away. The Lessee shall ensure at all times that there shall be no illegal excavation or dumping on the Green Hatched Black Area and, subject to the prior written approval of the Director, the Lessee may erect fences or other barriers for the prevention of such illegal excavation or dumping. In addition to any other rights or remedies the Director may have in respect of any breach of the terms and covenants herein contained, the Director may at any time by notice in writing call upon the Lessee to carry out such geotechnical investigations, slope treatment, landslip preventive, mitigation and remedial works and to maintain, reinstate and make good any land, structure or works affected by such landslip, subsidence or falling away, and if the Lessee shall neglect or fail to comply with such notice to the satisfaction of the Director within the period specified therein, the Director may, after the expiry of such period, execute and carry out the required works and the Lessee shall on demand repay to the Government the cost thereof.

27. Clause (34)(b) of the Second Schedule of the Modification Letter stipulates that notwithstanding sub-clause (a) of that covenant, the obligations and rights of the Lessee in respect of the Green Hatched Black Area or any part thereof under that covenant shall absolutely determine upon the Government giving to the Lessee notice to that effect and no claim for compensation shall be made against the Government or the Director or his duly authorized officers by the Lessee in respect of any loss, damage or disturbance suffered or any expense incurred as a result of such determination.

28. Clause (35)(a) of the Second Schedule of the Modification Letter stipulates that the Lessee acknowledges that the Sections may be affected by landslip hazards including boulder falls arising from the area shown coloured green stippled black on the plan marked "PLAN A" annexed to the Modification Letter ("the Green Stippled Black Area") and from the Green Hatched Black Area due to the nature of the natural terrain. The Lessee shall at his own expense carry out and complete to the satisfaction of the Director geotechnical investigation ("the Investigation") within the Sections and on the Green Stippled Black Area and the Green Hatched Black Area for such hazards. No ground investigation shall be carried out on any Government land outside the Green Stippled Black Area and the Green Hatched Black Area without the prior written consent of the Director.

29. Clause (35)(b) of the Second Schedule of the Modification Letter stipulates that on completion of the Investigation, the Lessee shall at his own expense carry out within the Sections all necessary mitigation and stabilisation works ("the Mitigation and Stabilisation Works") as the Director in his absolute discretion shall require to protect any building or buildings or structure or structures erected or to be erected on the Sections or any part thereof and any residents or occupiers therein and their bona fide guests, visitors and invitees from landslip hazards including boulder falls arising from the Green Stippled Black Area and the Green Hatched Black Area in all respects to the satisfaction of the Director. The Lessee shall register at his own expense in the Land Registry against the Sections a record plan accepted by the Director indicating the location and scope of the Mitigation and Stabilisation Works.

30. Clause (35)(c) of the Second Schedule of the Modification Letter stipulates that where it is deemed necessary by the Government or the Lessee to carry out mitigation and stabilisation works on any Government land including the Green Stippled Black Area (the "Outside Works"), the Lessee shall, upon receipt of the Director's written approval to or request for the Outside Works, at his own expense in accordance with the approval or request carry out and complete the Outside Works to the satisfaction of the Director. The Lessee shall register at his own expense in the Land Registry against the Sections a record plan accepted by the Director indicating the location and scope of the Outside Works.

31. Clause (35)(d) of the Second Schedule of the Modification Letter stipulates that the Lessee shall at all times during the term granted under the Lease and the Modification Letter, maintain at his own expense the Mitigation and Stabilisation Works and the Outside Works in good and substantial repair and condition to the satisfaction of the Director to ensure the continuing functioning of the Mitigation and Stabilisation Works and the Outside Works. In addition to any rights or remedies the Government may have against the Lessee for breach of the Lessee's obligations to maintain the Mitigation and Stabilisation Works and the Outside Works as provided in the Modification Letter, the Director shall be entitled by notice in writing to call upon the lessee to carry out such maintenance works as the Director shall in his absolute discretion deem fit. If the Lessee shall neglect or fail to comply with such notice to the satisfaction of the Director within the period specified therein, the Director may forthwith execute and carry out the required maintenance and the Lessee shall on demand repay to the Government the cost thereof, together with any administrative and professional fees and charges.

32. Clause (35)(g) of the Second Schedule of the Modification Letter stipulates that in the event that as a result of or arising out of the Investigation, the Mitigation and Stabilisation Works or the Outside Works, any damage is done to the Green Stippled Black Area, the Green Hatched Black Area, any other Government land or any land outside the Sections, the Lessee shall make good such damage at his own expense and in all respects to the satisfaction of the Director.

33. Clause (35)(h) of the Second Schedule of the Modification Letter stipulates that the Lessee indemnifies and shall keep indemnified the Government from and against all actions, proceedings, liabilities, claims, costs and demands whatsoever including but without limitation to any damage to or loss of properties and life or personal injuries arising out of or incidental to any works being carried out or having been carried out pursuant to the terms of this covenant or the omission, neglect or default to carry out any such works by the Lessee or any landslip hazard including boulder falls from the Green Stippled Black Area and the Green Hatched Black Area.

34. Clause (37)(a) of the Second Schedule of the Modification Letter stipulates that where there is or has been any cutting away, removal or setting back of any land, or any building up or filling in or any slope treatment works of any kind whatsoever, whether with or without the prior written consent of the Director, either within the Sections or on any Government land, which is or was done for the purpose of or in connection with the formation, levelling or development of the Sections or any part thereof or any other works required to be done by the Lessee under the terms and covenants contained in the Land Grant, or for any other purpose, the Lessee shall at his own expense carry out and construct such slope treatment works, retaining walls or other support, protection, drainage or ancillary or other works as shall or may then or at any time thereafter be necessary to protect and support such land within the Sections and also any adjacent or adjoining Government or leased land and to obviate and prevent any falling away, landslip or subsidence occurring thereafter. The Lessee shall at all times during the term granted by the Lease maintain at his own expense the said land, slope treatment works, retaining walls or other support, protection, drainage or ancillary or other works in good and substantial repair and condition to the satisfaction of the Director.

35. Clause (37)(c) of the Second Schedule of the Modification Letter stipulates that in the event that as a result of or arising out of any formation, levelling, development or other works done by the Lessee or owing to any other reason, any falling away, landslip or subsidence occurs at any time, whether in or from any land, within the Sections or from any adjacent or adjoining Government or leased land, the Lessee shall at his own expense reinstate and make good the same to the satisfaction of the Director and shall indemnify the Government its agents and contractors from and against all costs, charges, damages, demands and claims whatsoever which shall or may be made, suffered or incurred through or by reason of such falling away, landslip or subsidence.

36. Clause (37)(d) of the Second Schedule of the Modification Letter stipulates that in addition to any other rights or remedies provided in the Modification Letter for breach of any of the terms and covenants contained in the Modification Letter, the Director shall be entitled by notice in writing to call upon the Lessee to carry out, construct and maintain the said land, slope treatment works, retaining walls or other support, protection, and drainage or ancillary or other works or to reinstate and make good any falling away, landslip or subsidence, and if the Lessee shall neglect or fail to comply with the notice to the satisfaction of the Director within the period specified therein, the Director may forthwith execute and carry out any necessary works and the Lessee shall on demand repay to the Government the cost thereof, together with any administrative or professional fees and charges.

37. Clause (39) of the Second Schedule of the Modification Letter stipulates that where prestressed ground anchors have been installed, upon development or redevelopment of the Sections or any part thereof, the Lessee shall at his own expense carry out regular maintenance and regular monitoring of the prestressed ground anchors throughout their service life to the satisfaction of the Director and shall supply to the Director such reports and information on all such monitoring works as the Director may from time to time in his absolute discretion require. If the Lessee shall neglect or fail to carry out the required monitoring works, the Director may forthwith execute and carry out the monitoring works and the Lessee shall on demand repay to the Government the cost thereof.

38. Clause (41) of the Second Schedule of the Modification Letter stipulates that the Lessee shall take or cause to be taken all proper and adequate care, skill and precautions at all times, and particularly when carrying out construction, maintenance, renewal or repair work ("the Works"), to avoid causing any damage, disturbance or obstruction to any Government or other existing drain, waterway or watercourse, water main, road, footpath, street furniture, sewer, nullah, pipe, cable, wire, utility service or any other works or installations being or running upon, over, under or adjacent to the Sections or any part thereof or the Green Area or the Green Hatched Black Area or the Green Stippled Black Area or any combination thereof or any part thereof ("the Services"). The Lessee shall prior to carrying out any of the Works make or cause to be made such proper search and enquiry as may be necessary to ascertain the present position and levels of the Services, and shall submit his proposals for dealing with any of the Services which may be affected by the Works in writing to the Director for his approval in all respects, and shall not carry out any work whatsoever until the Director shall have given his written approval to the Works and to such aforesaid proposals. The Lessee shall comply with and at his expense meet any requirements which may be imposed by the Director in respect of the Services in granting the aforesaid approval, including the cost of any necessary diversion, relaying or reinstatement. The Lessee shall at his own expense in all respects repair, make good and reinstate to the satisfaction of the Director any damage, disturbance or obstruction caused to the Sections or any part thereof or the Green Area or the Green Hatched Black Area or the Green Stippled Black Area or any combination thereof or any part thereof or any of the Services in any manner arising out of the Works (except for nullah, sewer, storm-water drain or water main, the making good of which shall be carried out by the Director, unless the Director elects otherwise, and the Lessee shall pay to the Government on demand the cost of such works). If the Lessee fails to carry out any such necessary diversion, relaying, repairing, making good and reinstatement of the Sections or any part thereof or the Green Area or the Green Hatched Black Area or the Green Stippled Black Area or any combination thereof or any part thereof or of any of the Services to the satisfaction of the Director, the Director may carry out any such diversion, relaying, repairing, making good or reinstatement as he considers necessary and the Lessee shall pay to the Government on demand the cost of such works.

(b) Neither the Water Authority nor any of the classes of person referred to in sub-clause (a) of this covenant shall incur or be under any liability whatsoever to the Lessee in respect of any loss, damage, nuisance or disturbance whatsoever caused to or suffered by the Lessee arising out of or incidental to the exercise of the said right of ingress, egress and regress conferred under sub-clause (a) hereof and no claim shall be made by the Lessee in respect of any such loss, damage, nuisance or disturbance.

40. Clause (43) of the Second Schedule of the Modification Letter stipulates that:

(a) The Lessee shall construct and maintain at his own expense and to the satisfaction of the Director such drains and channels, whether within the boundaries of the Sections or on Government land, as the Director may consider necessary to intercept and convey into the nearest stream-course, catchpit, channel or Government storm-water drain all storm-water or rain-water falling or flowing on to the Sections, and the Lessee shall be solely liable for and shall indemnify the Government and its officers from and against all actions, claims and demands arising out of any damage or nuisance caused by such storm-water or rain-water.

(b) The works of connecting any drains and sewers from the Sections to the Government storm-water drains and sewers, when laid and commissioned, may be carried out by the Director who shall not be liable to the Lessee for any loss or damage thereby occasioned and the Lessee shall pay to the Government on demand the cost of such connection works. Maintenance of slopes

斜坡維修

1. The Land Grant requires the owners of the residential properties of the Development to maintain slopes at their own costs.
2. Clause (33) of the Second Schedule of the Modification Letter stipulates that upon development or redevelopment of the Sections or any part thereof, the Lessee shall at his own expense carry out and complete to the satisfaction of the Director of Lands ("the Director") such geotechnical investigations and such landslide preventive, mitigation and remedial works, including boulder stabilization and/or boulder fall mitigation works in respect of any boulder on the Sections and on such adjacent areas as the Director may in his absolute discretion require.
3. Clause (34)(a) of the Second Schedule of the Modification Letter stipulates that the Lessee shall at his own expense carry out and complete to the satisfaction of the Director such geotechnical investigations and such slope treatment, landslide preventive, mitigation and remedial works on the area shown coloured green hatched black on the plan marked "PLAN A" annexed to the Modification Letter ("the Green Hatched Black Area") as the Director in his absolute discretion may require and shall, at all times during the term granted by the Land Grant, at his own expense, maintain in good and substantial repair and condition to the satisfaction of the Director the Green Hatched Black Area including all land, slope treatment works, earth-retaining structures, drainage and any other works therein and thereon. In the event that any landslip, subsidence or falling away occurs within the Green Hatched Black Area at any time during the term granted by the Land Grant, the Lessee shall at his own expense reinstate and make good the same to the satisfaction of the Director together with any adjacent or adjoining areas which, in the opinion of the Director (whose decision shall be final and binding on the Lessee), have also been affected. The Lessee indemnifies and shall keep indemnified the Government, its agents and contractors against all claims, proceedings, costs, damages, and expenses whatsoever incurred by reason of such landslip, subsidence or falling away. The Lessee shall ensure at all times that there shall be no illegal excavation or dumping on the Green Hatched Black Area and, subject to the prior written approval of the Director, the Lessee may erect fences or other barriers for the prevention of such illegal excavation or dumping. In addition to any other rights or remedies the Director may have in respect of any breach of the terms and covenants contained in the Modification Letter, the Director may at any time by notice in writing call upon the Lessee to carry out such geotechnical investigations, slope treatment, landslip preventive, mitigation and remedial works and to maintain, reinstate and make good any land, structure or works affected by such landslip, subsidence or falling away, and if the Lessee shall neglect or fail to comply with such notice to the satisfaction of the Director within the period specified therein, the Director may, after the expiry of such period, execute and carry out the required works and the Lessee shall on demand repay to the Government the cost thereof.
4. Clause (34)(b) of the Second Schedule of the Modification Letter stipulates that notwithstanding sub-clause (a) of that covenant, the obligations and rights of the Lessee in respect of the Green Hatched Black Area or any part thereof under that covenant shall absolutely determine upon the Government giving to the Lessee notice to that effect.
5. Clause (35)(a) of the Second Schedule of the Modification Letter stipulates that the Lessee acknowledges that the Sections may be affected by landslip hazards including boulder falls arising from the area shown coloured green stippled black on the plan marked "PLAN A" annexed to the Modification Letter ("the Green Stippled Black Area") and from the Green Hatched Black Area due to the nature of the natural terrain. The Lessee shall at his own expense carry out and complete to the satisfaction of the Director geotechnical investigation ("the Investigation") within the Sections and on the Green Stippled Black Area and the Green Hatched Black Area for such hazards. No ground investigation shall be carried out on any Government land outside the Green Stippled Black Area and the Green Hatched Black Area without the prior written consent of the Director.
6. Clause (35)(b) of the Second Schedule of the Modification Letter stipulates that on completion of the Investigation, the Lessee shall at his own expense carry out within the Sections all necessary mitigation and stabilisation works ("the Mitigation and Stabilisation Works") as the Director in his absolute discretion shall require to protect any building or buildings or structure or structures erected or to be erected on the Sections or any part thereof and any residents or occupiers therein and their bona fide guests, visitors and invitees from landslip hazards including boulder falls arising from the Green Stippled Black Area and the Green Hatched Black Area in all respects to the satisfaction of the Director. The Lessee shall register at his own expense in the Land Registry against the Sections a record plan accepted by the Director indicating the location and scope of the Mitigation and Stabilisation Works.
7. Clause (35)(c) of the Second Schedule of the Modification Letter stipulates that where it is deemed necessary by the Government or the Lessee to carry out mitigation and stabilisation works on any Government land including the Green Stippled Black Area ("the Outside Works"), the Lessee shall, upon receipt of the Director's written approval to or request for the Outside Works, at his own expense in accordance with the approval or request carry out and complete the Outside Works to the satisfaction of the Director. The Lessee shall register at his own expense in the Land Registry against the Sections a record plan accepted by the Director indicating the location and scope of the Outside Works.
8. Clause (35)(d) of the Second Schedule of the Modification Letter stipulates that the Lessee shall at all times during the term granted under the Lease and the Modification Letter, maintain at his own expense the Mitigation and Stabilisation Works and the Outside Works in good and substantial repair and condition to the satisfaction of the Director to ensure the continuing functioning of the Mitigation and Stabilisation Works and the Outside Works. In addition to any rights or remedies the Government may have against the Lessee for breach of the Lessee's obligations to maintain the Mitigation and Stabilisation Works and the Outside Works as provided in the Modification Letter, the Director shall be entitled by notice in writing to call upon the lessee to carry out such maintenance works as the Director shall in his absolute discretion deem fit. If the Lessee shall neglect or fail to comply with such notice to the satisfaction of the Director within the period specified therein, the Director may forthwith execute and carry out the required maintenance and the Lessee shall on demand repay to the Government the cost thereof, together with any administrative and professional fees and charges.
9. Clause (35)(g) of the Second Schedule of the Modification Letter stipulates that in the event that as a result of or arising out of the Investigation, the Mitigation and Stabilisation Works or the Outside Works, any damage is done to the Green Stippled Black Area, the Green Hatched Black Area, any other Government land or any land outside the Sections, the Lessee shall make good such damage at his own expense and in all respects to the satisfaction of the Director.
10. Clause (35)(h) of the Second Schedule of the Modification Letter stipulates that the Lessee indemnifies and shall keep indemnified the Government from and against all actions, proceedings, liabilities, claims, costs and demands whatsoever including but without limitation to any damage to or loss or properties and life or personal injuries arising out of or incidental to any works being carried out or having been carried out pursuant to the terms of that covenant or the omission, neglect or default to carry out any such works by the Lessee or any landslip hazard including boulder falls from the Green Stippled Black Area and the Green Hatched Black Area.
